THE REAL REVIEW

Tangy, vibrant wine with passionfruit, guava, capsicum and gooseberry flavours. Punchy, textural sauvignon blanc with appealing purity. Good food wine in a mouth-watering, bone dry style

THE SHOUT

A classic bouquet and palate, bright, fresh, crisp and crunchy with flavours of fresh herbs with a grassy quality, green apple and gooseberry, peach and a light wet stone quality. Taut, salivating fruity and dry on the finish. Overall a balanced and well made wine with a classic varietal signature with a fresh crunchy fruit expression. Best drinking from 2024 through 2028.

SILVER MEDAL

NEW ZEALAND INTERNATIONAL WINE SHOW

The New Zealand International Wine Show 2023.

MICHAEL COOPER

Attractively scented, the 2022 vintage (4.5*) was grown at sites in the Wairau Valley, Waihopai Valley and Southern Valleys, and tank-fermented, with 'a touch of neutral oak'. Pale lemon/green, it is a distinctive, lively wine, with strong, fresh, passionfruit-like flavours, citrusy notes, vibrant acidity, excellent delicacy and a dry (2.8 grams/litre of residual sugar), lengthy finish. (Vintage 2022)
